

## **Social Counselor 2 Position**

### **Hawkins County Health Department**

The Hawkins County Health Department is seeking a full-time Social Counselor 2 (SC2) position. The SC2 is a professional responsible for social counseling work and/or service coordination of average difficulty; and performs related work as required by department.

#### Qualifications:

- Graduation from an accredited college or university with a bachelor's degree AND preferred one year of professional experience in one or a combination of the following: health care for children and adolescents; social work; or social or psychological counseling.
- Possess a valid driver's license and reliable transportation
- Submit to background check as part of hiring process

#### Specific Duties:

- Conducts pre-assessment/developmental screening to determine needs, strengths, and/or level of risk for client.
- Conducts regular home visits/targeted case management to monitor progress of the service plan/client status.
- Identifies developmental risk factors that would inhibit a child from future educational growth, as appropriate, for specific agency functions.
- Refers and/or coordinates services for clients which may reduce client risk, increase autonomy and/or demonstrate educational progress.
- Evaluates case information according to agency guidelines.
- Ensures client confidentiality is maintained according to agency policy.
- Determines the validity of referral based on analysis of all collected information, as appropriate, for specific agency function.
- Implements a service plan that identifies goals for addressing needs or concerns of the clients.

Benefits include: Medical, dental, and vision insurances; pension/retirement plan, paid holidays, paid sick and vacation leave, bereavement leave, etc.

Starting Salary: \$2,637 monthly
